Dana Anderson, Superintendent, Capital Region ESD 113 called the meeting to order at 6:30 p.m. Board members present were Frances Longshore, Deb Petersen, Edie Reclusado and Annie Robbins. Gary Hedger was excused. Also present were Nikki Cannon, Superintendent; and Jeanie Beebe, Director of Finance and Operations.

Chris Reykdal, Washington State Superintendent of Public Instruction, shared OSPI's priorities. Mr. Anderson facilitated the meeting by asking each Board of Directors to generate a list of district priorities to present to State Legislatures in preparation for the start of their Legislative Session in January.
